BOUTONNIERES AT CONCERT.

Among the elite ladies who will assist Mrs. Annis Montague Turner in the task of selling boutonnières at the opera house tonight will be Misses Violet and Laura Atherton (not Herbert) as the Advertiser has it this morning.

No gentleman should go to the concert tonight with a boutonniere in the lapel of his coat even if his best girl did give it to him. Go without a boutonniere and allow the little ladies to pin one in. The little gentlemen will furnish the ladies with flowers if they desire them.

Hurt While Playing.

While little Peter Kamakua was playing with a number of his companions in front of the Orpheum theater at about 7 o'clock last evening, a hack dashed up the street at a great rate just as the boy was running across the street. The driver stopped his horse as soon as he could, but it was too late. Peter was knocked down and the wheel struck him with great force, cutting a deep gash on the head and otherwise injuring him. Peter was taken to Dr. Wood's office where his injuries were attended to. No blame is attached to the driver. The whole thing was due to the boy's own carelessness.

TO CURE A COLD IN ONE DAY.

Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25 cents.

Moody Bible Work Will be Continued

East Northfield, Mass., Dec. 6.—W. R. Moody has reached home after a visit to London, in the course of which he secured the consent of Rev. G. Campbell Morgan to assist in the Northfield, Mr. Moody says that such an arrangement was planned by Dwight L. Moody before his death and that Mr. Morgan will come to this country in the early summer. He will make his home in East Northfield and will attend the Northfield conference, beginning his special Northfield extension work in the early autumn.

This work has been carried on by Mr. Meyer, Mr. Morgan and Mr. H. W. Pope in previous years and consists mainly in holding conventions for a week or ten days duration, in various cities, seeking thereby to awaken a deeper interest in Bible study and greater fellowship among Christian workers.

Zealandia Sails.

Not since the departure of the Zealandia with the Mystic Shriners last month, has there been such a gathering on the Oceanic wharf as there was yesterday afternoon. The band was on hand and added to the excitement of the departure of the steamer. The ladies were out in full force carrying leis to hang around the necks and shoulders of departing friends. The Zealandia made rapid progress in discharging her cargo and taking on a return load of sugar. Several prominent names appeared on the outgoing passenger list which accounted in a measure for the unusual number of Honolulu people who were present. Shortly after the appointed hour for leaving the order was given to cast off the lines and with many an Aloha and waving of shapely hands the vessel turned her nose for the Coast. The arrival of the Sierra of the Oceanic line on the 15th inst. will likewise be quite an event, as it will be the initial voyage of this new palatial steamer to the principal port of these garden isles.

THE FAMILY FRIEND.

No remedy has as good a right to that title as Kickapoo Indian Oil. It is good for internal and external use. It is pain's most powerful panacea. No one can say "I won't" have neuralgia, rheumatism, earache or any other acute pain, but everyone who has a bottle of Kickapoo Indian Oil in the house can say with confidence "I won't" have neuralgia or any other pain long. The power of this oil over pain is marvelous. Toothache, earache, headache, neuralgia and rheumatism, dysentery, diarrhoea, cholera morbus, colic, cramps, and all acute pains yield instantly to it. You are always proof against pain with a bottle in the house. Hobson Drug Co., agents for Kickapoo Indian Remedies.

CARPENTERS' UNION.

At a meeting of the Carpenters' Union last night, the eight hour agreement, which went into full effect on the first day of this month, was reaffirmed. It will be remembered that while all the trouble was going on among the carpenters and contractors not long ago, the latter went out on a strike for a short time. Learning that the contractors intended to do what seemed to them to be the right thing, the leaders of the union decided to advise the men to go back to work and await developments. The developments came and the men were perfectly satisfied, although they had decreed that the eight hour regulation should go into effect on the first day of November.

The carpenters also put themselves on record in another important matter. They voted it should be the sense of the meeting that all builders and business men generally, be advised against the employment of Asiatic labor in carpenter work. In the place of these natives should be employed. The new sanitary steam laundry was mentioned as hiring Orientals to do the carpenter work on its buildings now in process of construction.
